To whom it may Concern,

Impaq Education would like to take this opportunity to thank Makrosafe for the excellent service we receive with assisting to implement Health and Safety in the workplace also the inspections and advice they gives, the visits and recommendation's they give to make sure all is in place.

Makrosafe really goes the extra mile in looking after their clients. We have an excellent working relationship with Janice Clark.

We will definitely recommend your services to any company looking for efficient professionals.

Kind regards
