Re: Letter of Recommendation

To whom it may concern:

I would like to extend this letter of recommendation in respect of the services provided by Makrosafe. We contracted in 2015 Makrosafe based on their experience and performance on other Health and Safety projects as well as the overall capabilities of the company in general.

Makrosafe has an elaborate qualification process for selection of other Health and Safety sub-contractor and they exceeded all criterion as outlined under each requirement.

Their performance to date continues to live up to the high standards we set our contractors. They have excelled in all categories including, customer contact, adherence to schedule, calibre of supervision, quality of workmanship, attention to detail and also of great importance, with pricing.

Based on the above we highly recommend Makrosafe for Health safety serviced they provided.

Yours Faithfully
