RECOMMENDATION LETTER : KITO NHEVERA

I, Bessie Noakes, SHEQ/Risk Manager at **FIRELAB** highly recommend Makrosafe Holdings, particularly Kito Nhevera who have been assisting us in getting our Letter of Good Standing renewed by WCA since 2015 as well as scheduling EHS Training for our employees.

We receive outstanding services from Kito. He understands his role immaculately and is able to demonstrate deeper knowledge of IOD processes and the COID Act.

If any additional information is required, please do not hesitate to contact **FIRELAB** immediately.

Sincerely,

EJ Noakes
