

Recommendation Letter:

HEALTH AND SAFETY Services

To whom it may concern

On behalf of all at Vermont Sales (Pty) Ltd we would like to thank you for the professional Health and Safety Services carried out in our organization.

Herman Steyn, Candice Jansen van Vuuren & Eric Botes deliver a professional and constant service to our health and safety needs.

They deliver a professional service to all our staff members and ensure we are updated with newly relevant legislation and newly improved health and safety systems. They have a broad spectrum of services they can provide, of which we at Vermont Sales (Pty) Ltd benefit from.

We would really recommend Macrosafe Holdings (Pty) Ltd as their fees are fair and they play a big part in ensuring our employees return home healthy and safe to their loved ones after work. We would definitely be using your company for the next years to come.

Thank you

Marcel Crous
Facilities Manager
